C.3.3. Background and Experience

Please briefly present the partner organization. (e.g. its type, size, scope of work, areas of specific expertise, specific social context and, if relevant, the quality system used) ‘

IEF Yurtdisi Egitim (IEF Study Abroad Limited Co.) founded in 2013, is a strong and prestigious educational counselling and a provider company that offers education opportunities abroad to students in accordance with their education and career objectives. It also provides counselling services on project development, project management and a strong partner that contributes to dialogue between institutions in developing countries and EU, in Turkey with professional support provided by the establishment of partnerships in the fields. It provides services and support in the field of organization and brokerage services in all fields of education, project, consultancy and tourism in national and international fields, too.

IEF Study Abroad offers all its services by having signed agreements and partnerships with many institutions and organisations such as universities, language schools and high schools from not only EU but many other countries from all over the world.

IEF works in the areas of training materials development, human resources, personal development, development of communication skills and skills acquisition. Our organization also carries out activities on social promotion, volunteering, active citizenship and youth mobility. (In particular within the framework of the new Erasmus + program) IEF Study Abroad, as a training and consultancy company, ERASMUS + KA1 within the scope of hundreds of educations has given counselling to many projects. In addition to all these, we have the main goals that we have determined:

- Increasing the employment of young people and supporting their personal and professional development
- Organizing and mediating training programs, youth exchanges, labor camps, seminars, work mobility, internships and volunteer programs abroad and at national level;
- To encourage the creation of new and innovative ideas as the foundation of young entrepreneurs' initiatives, to motivate them and to support their own business.

IEF is also actively involved in international cooperation and development. Trainers of the organization are formed by businessmen and entrepreneurs.

As a main principal, IEF Study Abroad is respectful to different thoughts, cultures, religions, human rights, etc. It also expects the same principal from all partners and clients.

IEF Study Abroad is a member of Afyonkarahisar Chamber of Commerce and YEDAB (Association of Study Abroad Counsellors).

What are the activities and experience of the organization in the areas relevant for this application?
